

Role Profile

Lifewise Support Volunteer

Have you got the time and energy for this active and rewarding role? We are looking for volunteers to meet, greet and look after visitors to the Lifewise Centre. You will be based at the Lifewise Centre, Unit 1, Kea Park, Hellaby, Rotherham. Those of you that have the confidence will be given the opportunity to undertake some role play activities during some of the scenarios, however this is not mandatory and only for those that wish to expand their skills.

The Lifewise Centre is a multiagency approach to delivering education, prevention, intervention and in some cases rehabilitation to communities across South Yorkshire and beyond. The partnership of South Yorkshire Police, South Yorkshire Fire & Rescue, the NHS as well as many other organizations are working to develop and deliver key messages in relation to safety, crime prevention and wellbeing.

The role

As a volunteer you will engage with various agencies, together with school groups and other groups to enable the smooth running of events at the Centre. You will provide general assistance relating to the arrival of school groups, and other visitors, hospitality provision and act as a general point of contact whilst the events are taking place. You may be required to help get the sets ready for the arrival of our audiences and be expected to clear away afterwards. You may also be asked to chaperone groups as they move around the centre. This is a new and exciting volunteer role which we hope will develop further in time.

Skills and experience required for the role

- Good Communication Skills
- Good interpersonal skills
- Enthusiastic
- Ability to work in a small team and individually
- Health and safety awareness

Times you can volunteer

Monday – Saturday
Between the hours of 8.00am and 9.00pm

Interested?

If you would like more information or an application form please either email SYPVolunteers@southyorks.pnn.police.uk or Volunteers@syfire.gov.uk or telephone 0114 2197054 asking for the Police Support Volunteer Project Officer or 01142532413 and ask for the Fire Volunteer Coordinator.

Please note that all successful candidates will be subject to the SYP and SYF&R vetting process.
