Conditions

Applicants must be registered for explosives storage in accordance with the Manufacture and Storage of Explosives Regulations 2005 and have an issued storage registration or license issued by South Yorkshire Fire & Rescue Licensing Authority.

Regulation 10 of the Fireworks Regulations 2004 requires sellers to maintain records of certain transactions for three years from the date of supply.

If, in a single transaction, the total amount of explosives (net explosive content or NEC) contained in the fireworks supplied exceeds 50kg the following Information must be recorded:-

- the name and address of your supplier for those fireworks and the date of supply
- the name and address of the person to whom you supply the fireworks and date of supply
- the total amount of explosives contained in the fireworks supplied (NEC information is usually printed on the delivery cartons)

Licence Fee

Regulation 9(7) of the Fireworks Regulations 2004 sets a fixed fee of **£500 per annum** for a licence to supply fireworks. A cheque for £500, made payable to South Yorkshire Fire & Rescue should accompany this application.
