

Assessment Board approved projects

Number	Project	Area	Key Themes	Amount	Score
SSCR3-33	Safe and Well Ambassadors – Northern College This project will make creative use of the legacy work produced by SYFRs previously funded work to create a Safe and Well package aimed at adults. The project will deliver an accredited level 1 qualification for safe and well volunteers. A positive approach to vulnerability ‘Breaking down Barriers’ course will also be developed.	South Yorkshire	Excluded Groups Mental Health	£80,274.60	76.25%
SSCR3-11	Sheffield Mind Magpies – Sheffield MIND The project will work with vulnerable people who have difficulties associated with hoarding. Vulnerable people will receive 1-1 support for 12 months to make positive changes to their behaviours, in order to manage their lives and their accommodation.	Sheffield	Mental Health	£90,019.03	71.25%
SSCR3-16	Engage, Educate and Encourage: Addressing the Vulnerability of Homeless Young People in Barnsley - Centrepoint The project will support homeless young people aged 16-25. Through engagement, education and encouragement young people will have the opportunity to develop the knowledge and skills to lead a safe independent life.	Barnsley	Water Safety Excluded Groups Arson Mental Health Road Traffic Collisions	£50,000	70%
SSCR3-27	Preventing Water-related incidents and drowning across South Yorkshire - RLSS The project will address water safety and drowning prevention across South Yorkshire – with the ultimate aim to reduce the number of water-related incidents and accidental drowning across South Yorkshire.	South Yorkshire	Water Safety Excluded Groups	£50,000	70%
SSCR3-13	Slipper Swap – Edlington Community Organisation The project will deliver a 2 year pop up slipper swap project across South Yorkshire in particular Doncaster, Rotherham, and Barnsley. The pop up community stations will also allow older people to receive further support and information around fire safety and wellbeing.	Doncaster, Rotherham & Barnsley	Health and Social Care	£48,256.50	66.25%

SSCR3-26	Safe Rider – Safer Roads Partnership The project aims to engage with young riders (aged 16-24 years) of mopeds and motorcycles in a bid to encourage them to become safer riders via a series of education, training, and publicity initiatives. The project will also produce a new Virtual Reality film around motorcycle safety.	South Yorkshire	Road Traffic Collisions	£49,000	66.25%
SSCR3-41	Migrant and BME Fire Safety Visiting – Firvale Community Hub The project aims to improve awareness of fire hazards in the home and behaviours that promote or reduce fire safety. The project will work with recent migrants from eastern Europe, especially Roma-Slovak families.	Sheffield	Excluded Groups Mental Health	£27,057.82	61.25%
SSCR3-47	Vision 20:20 – Burton Street 2 Year programme with a vision to improve health and wellbeing for people with learning disabilities and mental health difficulties in Sheffield.	Sheffield	Health and Social Care	£43,746	61.25%
SSCR3-4	All Safe – Project Buzz Delivery of a programme in water safety and home fire safety to BME, Asylum seekers, refugees, youths, children and vulnerable older people. Multicultural resources and SEN resources will also be developed to supplement and support the outreach work of SYFR.	Sheffield	Water Safety Excluded Groups Arson Mental Health	£48,813.36	56.25%
SSCR3-32	We're all neighbours, let's b:Friend Delivery of a 1:1 befriending support to socially isolated older neighbours across South Yorkshire. The project will focus on the development of a digital befriending platform which can be used by various agencies and community members to pair volunteer befrienders with lonely older people living nearby.	Doncaster	Excluded Groups Mental Health Health and Social Care	£49,945	55%

SSCR3-43	Safer Together – ZEST To improve awareness of priority community safety issues and raise confidence and aspiration amongst excluded communities in Inner City Sheffield. This will be achieved through developing complimentary programmes and projects related to general safety, safety awareness, accident prevention, and reduction of risks associated with health and social issues.	Sheffield	Water Safety Excluded Groups Road Traffic Collisions	£46,395.12	52.50%
SSCR3-48	Homestart – Homestart South Yorkshire To support vulnerable families in South Yorkshire to create safer, stronger, and more stable homes, through the provision of quality assured parenting advice, practical help and emotional support.	South Yorkshire	Water Safety Excluded Groups Mental Health Health and Social Care	£47,797	52.50%
SSCR3-7	Community Safety at Pitsmoor Adventure Playground The project will work with disadvantaged children and families in the Burngreave ward of Sheffield to improve their knowledge and awareness of factors impacting community safety; to develop safety behaviours and practical skills amongst young people and to engage them with the work of SYFR and related agencies in order to promote appropriate use of their services.	Sheffield	Water Safety Excluded Groups Road Traffic Collision Arson	£24,650	76.25%
SSCR3-1	Safer Futures – Supporting Young People – JADE Youth and Community Centre The project aims to target young people from Dinnington and surrounding areas to provide a programme of engagement and learning that will address issues relating to young people and community safety. Historical problems in the area include drug and alcohol use, driving stolen or unsafe cars, youth nuisance including arson, burglary, sexual offences, and violence.	Rotherham	Arson Mental Health Road Traffic Collisions	£20,870	66.25%
SSCR3-39	Handsworth Engagement Hub – Woodhouse and District Community Forum The project is designed to engage with children and young people who would not normally engage with organisations and services. The key is to provide space for young people they can use and feel ownership for, and that rather than hosting activities in established and traditional community spaces; partners can use this space as a hub for more informal community engagement.	Sheffield	Water Safety Excluded Groups Arson Mental Health Road Traffic Collisions Health and Social Care	£20,000	56.25%

SSCR3-30	Adams Ark Water Safety Training and Action Adams Ark is a residential canal boat. The vessel allows young people to develop knowledge and skills in an experimental learning environment.	Doncaster	Water Safety	£7,840	50%
